Service and Support

The following information describes the technical support that is available for your product, during the warranty period or throughout the life of your product. Refer to the Lenovo Limited Warranty for a full explanation of Lenovo warranty terms.

Online technical support

Online technical support is available during the lifetime of a product at: https://support.lenovo.com

Product replacement assistance or exchange of defective components also is available during the warranty period. A Lenovo technical support representative can help you determine the best alternative. In addition, if your Lenovo option is installed into a Lenovo computer, the option takes on the warranty of the computer in which it is installed. For many Lenovo computers, this can entitle the Lenovo option for warranty service up to three years.

Telephone technical support

Before contacting Lenovo technical support, please have the following information available: option name and number, proof of purchase, computer manufacturer, model, serial number and manual, the exact wording of any error message, description of the problem, and the hardware and software configuration information for your system. Your technical support representative might want to walk you through the problem while you are at your computer during the call.

Fee-based installation and configuration support may also be available through the Lenovo Customer Support Center.

Telephone numbers are subject to change without notice. The most up-to-date telephone list for Lenovo Support is always available at http://www.lenovo.com/support/phone. If the telephone number for your country or region is not listed, contact your Lenovo reseller or Lenovo marketing representative.

Lenovo Statement of Limited Warranty

L814-0010-01 1/2017

This Lenovo Limited Warranty consists of the following parts:

Part 1 - General Terms

Part 2 - Country-unique Terms

Part 3 - Warranty Information

The terms of **Part 2** replace or modify terms of **Part 1** as specified for a particular country.

Part 1 - General Terms

This Statement of Limited Warranty includes Part 1 - General Terms, Part 2 - Country-unique Terms, and Part 3 – Warranty Information. The terms of Part 2 replace or modify those of Part 1. Part 3 includes definitions of specific warranty types that may apply to your Machine. For purposes of this Statement of Limited Warranty, “Lenovo” means the Lenovo entity that provided your Machine to you or to your reseller.

The warranties provided by Lenovo in this Statement of Limited Warranty apply to Machine(s) you purchase for your use, and not for resale. The term “Machine” means a hardware product identified by a Machine Type as well as its features, conversions or upgrades. The term “Machine” does not include any software programs, whether pre-loaded with the Machine, installed subsequently, or otherwise. **NOTHING IN THIS STATEMENT OF LIMITED WARRANTY AFFECTS ANY STATUTORY RIGHTS OF CONSUMERS THAT CANNOT BE WAIVED OR LIMITED BY CONTRACT.**

This Statement of Limited Warranty is available, in multiple languages, at the following Lenovo Internet website: http://www.lenovo.com/warranty/.

What This Warranty Covers

Lenovo warrants that each Machine is free from defects in materials and workmanship under normal use during the warranty period.

During the warranty period, Lenovo provides repair and exchange service for the Machine under the type of warranty service Lenovo designates for the Machine. The warranty period for the Machine is a fixed period starting on its original Date of Installation. For certain Machines, the warranty will be void if the Machine's usage limitations are exceeded during the specified warranty period. The date on your purchase invoice or sales receipt is the Date of

Installation unless Lenovo or your reseller informs you otherwise. The warranty period, type of warranty service, and service level that apply to your Machine are designated in the

Machine's product guide and/or data sheet at the following Lenovo Internet website: www.lenovo.com

Except as stated otherwise, all parts or features that are configured and/or installed for use in your Machine and identified by an option number or feature code (“Option”) shall be warranted for the duration of the Machine's warranty or one (1) year from purchase date, whichever is longer. The warranty for solid state drive (SSD) Options shall be limited to SSDs that have not reached the maximum guaranteed number of program/erase cycles, as documented in the product guide or specifications.

Lenovo may require you to provide proof of purchase (for example, a copy of your sales receipt or purchase invoice) to validate warranty entitlement.

If a Machine that Lenovo is responsible to install is not made available for Lenovo to install within six months from the date Lenovo ships the Machine to you or the reseller, installation will be subject to a charge under a Services agreement with Lenovo.

For a Machine that Lenovo is responsible to install, if you elect to install or service the Machine yourself, or if you relocate the Machine or have a third party install, service or relocate the Machine, Lenovo reserves the right to inspect the Machine before providing warranty Service on the Machine. Lenovo may, at its sole discretion, charge for the inspection. If the Machine is not in an acceptable condition for warranty Service, as solely determined by Lenovo, you may request that Lenovo restore it to an acceptable condition for Service or you may withdraw your request for warranty Service. Lenovo, at its sole discretion, will determine if restoration is possible. Restoration is provided as a billable Service. If specified, additional charges, such as transportation or special handling, may apply.

Many features, conversions, or upgrades involve the removal of parts and their return to Lenovo. A Lenovo part or feature installed during the initial installation of a Lenovo Machine is subject to the Machine's warranty period effective on the Date of Installation of the Machine. A Lenovo part or feature which replaces a previously installed part or feature assumes the remainder of the warranty period for the replaced part or feature. A Lenovo part or feature added to a Machine without replacing a previously installed part or feature is subject to the specified warranty period for the applicable part or feature effective on its Date of Installation. Unless Lenovo specifies otherwise, the warranty period, type of warranty service, and service level of such part or feature is the same as the Machine on which it is installed.

Unless Lenovo specifies otherwise, these warranties apply only in the country or region in which you purchased the Machine.

THESE WARRANTIES ARE YOUR EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND ANY WARRANTY OF TITLE OR NON-INFRINGEMENT. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES APPLY AFTER THAT PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

What this Warranty Does not Cover

This warranty does not cover the following:

a. failure or damage resulting from misuse (including, but not limited to, use of any Machine capacity or capability, other than that authorized by Lenovo in writing), accident, modification, unsuitable physical or operating environment, operation in other than the specified operating environment or improper maintenance by you or a third party;

b. failure due to events beyond Lenovo's control;

c. failure caused by a product for which Lenovo is not responsible;

d. any non-Lenovo products, including those provided with, or installed on, a Lenovo Machine at your request;

e. accessories, supply items and consumables, and structural parts (for example, frames and covers). **Unless specified otherwise, batteries are considered a consumable item and are not warranted.** If warranted, Lenovo will specify the warranty in the product announcement and service documentation which ships with the Machine;

f. service of Machine alterations;

g. service of a Machine on which you are using capacity or capability, other than that authorized by Lenovo in writing; and

h. certification in your country for the Machine's connection by any means to interfaces of public telecommunications networks unless Lenovo specifies otherwise in the product announcement and service documentation that ships with the Machine. Further certification may be required by law prior to making any such connection.

The warranty is voided by removal or alteration of identification labels on the Machine or its parts.

Lenovo does not warrant uninterrupted or error-free operation of a Machine.

Any technical or other support provided for a Machine under warranty, such as assistance with “how-to” questions and those regarding Machine set-up and installation, is provided WITHOUT WARRANTIES OF ANY KIND.

How to Obtain Warranty Service

If the Machine does not function as warranted during the warranty period, refer to the service documentation that shipped with your Machine for support assistance and problem determination procedures. A copy of the service documentation for your Machine can also be found at the following Lenovo website: http://support.lenovo.com/.

If you are unable to resolve your problem with the service documentation, contact Lenovo or the reseller to obtain warranty service. Contact information for Lenovo is provided in the “Warranty Information” that ships with your Machine. If you do not register the Machine with Lenovo, you may be required to present proof of purchase as evidence of your entitlement to warranty service.

What Lenovo Will Do to Correct Problems

Lenovo will attempt to diagnose and resolve your problem over the telephone or electronically by access to a Lenovo Internet website. Certain Machines contain remote support capabilities for direct problem reporting, remote problem determination, and resolution with Lenovo. When you contact Lenovo for service, you must follow the problem determination and resolution procedures that Lenovo specifies. Following problem determination, if Lenovo determines on-site service is required, a service technician will be scheduled for service at your location.

Certain Machines (and upgrades, as applicable) may contain Machine Code and may also contain Separately Licensed Code (SLC). The following Lenovo website identifies whether an acquired Machine (or upgrade, as applicable) contains Machine Code and/or SLC: http://support.lenovo.com/.

Unless specified otherwise, you are responsible for downloading or obtaining from Lenovo, and installing designated Machine Code (microcode, basic input/output system code (called “BIOS”), utility programs, device drivers, and diagnostics delivered with a Lenovo Machine) and other software updates in a timely manner from a Lenovo Internet website or from other electronic media, and following the instructions that Lenovo provides. You may request Lenovo to install Machine Code changes, however, you may be charged for that service.

Some parts of Lenovo Machines are designated as Customer Replaceable Units (“CRUs”). If your problem can be resolved with a CRU (e.g. keyboard, memory, hard disk drive) Lenovo will ship the CRU to you for you to install.

If the Machine does not function as warranted during the warranty period and your problem cannot be resolved over the telephone or electronically, through your application of Machine Code or software updates, or with a CRU, Lenovo or its subcontractor or a reseller that has been approved by Lenovo to provide warranty service, will either, at its discretion: 1) repair it to make it function as warranted; or 2) replace it with one that is at least functionally equivalent. If Lenovo or its subcontractor or the reseller is unable to do either, you may return the Machine to your place of purchase and your money will be refunded.

Lenovo or its subcontractor or the reseller will also manage and install selected engineering changes that apply to the Machine.

Exchange of a Machine or Part

When the warranty service involves the exchange of a Machine or part, the item Lenovo or its subcontractor or the reseller replaces becomes Lenovo's property, and the replacement becomes yours. You represent that all removed items are genuine and unaltered. The replacement may not be new, but will be in good working order and at least functionally equivalent to the item replaced. The replacement assumes the warranty service status of the replaced item.

Your Additional Responsibilities

You agree:

a. before Lenovo or its subcontractor or the reseller exchanges a Machine or part, to remove all features, parts, options, alterations, and attachments not under warranty service and ensure that the Machine is free of any legal obligations or restrictions that prevent its exchange

b. to obtain authorization from the owner to have Lenovo or its subcontractor or the reseller erase a Machine that you do not own;

c. where applicable, before service is provided:

(1) follow the service request procedures that Lenovo or its subcontractor or its reseller provides;

(2) backup and secure all programs, data, and funds contained in the Machine; and
(3) inform Lenovo or its subcontractor or the reseller of changes in the Machine's location;

d. to provide Lenovo or its subcontractor or the reseller with sufficient and safe access to your facilities to permit Lenovo to fulfill its obligations;

e. to allow Lenovo or its subcontractor or the reseller to install mandatory engineering changes, such as those required for safety;

f. when the type of warranty service requires that you deliver a failing Machine to Lenovo, you agree to ship it suitably packaged, as Lenovo specifies, to a location Lenovo designates. After the Machine has been repaired or exchanged, Lenovo will return the repaired Machine or provide a replacement Machine to you at its expense, unless Lenovo specifies otherwise. Lenovo is responsible for loss of, or damage to, your Machine only while it is: 1) in Lenovo's possession; or 2) in transit in those cases where Lenovo is responsible for the transportation charges; and

g. to securely erase from any Machine you return to Lenovo for any reason all programs not provided by Lenovo with the Machine, and data, including without limitation the following: 1) information about identified or identifiable individuals or legal entities (Personal Data); and 2) your confidential or proprietary information and other data. If removing or deleting Personal Data is not possible, you agree to transform such information (e.g., by making it anonymous or encrypting it) so that it no longer qualifies as Personal Data under applicable law. You also agree to remove all funds from Machines returned to Lenovo. Lenovo is not responsible for any funds, programs not provided by Lenovo with the Machine, or data contained in a Machine that you return to Lenovo. You acknowledge that, to perform its responsibilities under this Statement of Limited Warranty, Lenovo may ship all or part of the Machine or its software to other Lenovo or third party locations around the world, and you authorize Lenovo to do so.

Limitation of Liability

Circumstances may arise where, because of a default on Lenovo's part or other liability, you are entitled to recover damages from Lenovo. Regardless of the basis on which you are entitled to claim damages from Lenovo (including fundamental breach, negligence, misrepresentation, or other contract or tort claim), except for any liability that cannot be waived or limited by applicable laws, Lenovo's entire liability for all claims in the aggregate arising from or related to each Machine will not exceed:

a. damages for bodily injury (including death) and damage to real property and tangible personal property; and

b. the amount of any other actual direct damages, up to the charges (if recurring, 12 months' charges apply) for the Machine that is subject of the claim. For purposes of this item, the term "Machine" includes Machine Code.

This limit also applies to Lenovo's suppliers, subcontractors, and resellers. It is the maximum for which Lenovo and its suppliers, subcontractors, and resellers are collectively responsible.

UNDER NO CIRCUMSTANCES IS LENOVO OR ITS SUPPLIERS, SUBCONTRACTORS, OR RESELLERS LIABLE FOR ANY OF THE FOLLOWING EVEN IF INFORMED OF THEIR POSSIBILITY: 1) **THIRD PARTY CLAIMS AGAINST YOU FOR DAMAGES (OTHER THAN THOSE UNDER THE FIRST ITEM LISTED ABOVE);** 2) **LOSS OF, OR DAMAGE TO, DATA;** 3) **SPECIAL, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES; OR 4) LOST PROFITS, BUSINESS, REVENUE, GOODWILL, OR ANTICIPATED SAVINGS. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.**

Governing Law

Both you and Lenovo consent to the application of the laws of the country in which you acquired the Machine to govern, interpret, and enforce all of you and Lenovo's rights, duties, and obligations arising from, or relating in any manner to, the subject matter of this Statement of Limited Warranty, without regard to conflict of law principles.

THESE WARRANTIES GIVE YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE OR JURISDICTION TO JURISDICTION.

Items for Which Lenovo is Not Liable

Save with respect to any liability referred to in item a above, under no circumstances is Lenovo or any of its suppliers or resellers liable for any of the following, even if Lenovo or they were informed of the possibility of such losses:

- loss of, or damage to, data;
- special, indirect, or consequential loss;
- loss of profits, business, revenue, goodwill, or anticipated savings; or
- third party claims against you for damages.

Part 3 - Warranty Service Information

Product Type	Country of Purchase	Warranty Period	Type of Warranty Service	Service Level
<i>6535 and 6536</i>	Worldwide	3 years	Customer Replaceable Unit (“CRU”) and Technician Installed Parts	Next Business Day (NBD), 9X5

The performance of warranty service is subject to the following: 1) the time your request for service is received; 2) Machine technology and redundancy; and 3) availability of parts. Please contact your local Lenovo representative or the subcontractor or reseller performing services on behalf of Lenovo for country and location specific information.

Types of Warranty Service

CRU / Parts Delivered Service

Lenovo provides replacement CRUs to you for you to install. CRU information and replacement instructions are available at www.lenovo.com or from Lenovo at any time on your request. CRUs are designated as being either a Tier 1 (mandatory) or a Tier 2 (optional) CRU. Installation of a Tier 1 CRU is your responsibility. If Lenovo installs a Tier 1 CRU at your request, you will be charged for the installation. You may install a Tier 2 CRU yourself or request Lenovo to install it, at no additional charge, under the type of warranty service designated for your Machine. Lenovo specifies in the materials shipped with a replacement CRU whether a defective CRU must be returned to Lenovo. When return is required, 1) return instructions and a container are shipped with the replacement CRU, and 2) you may be charged for the replacement CRU if Lenovo does not receive the defective CRU within 15 days of your receipt of the replacement.

CRU and Technician Installed Parts (formerly On-site Service)

At Lenovo's discretion you will receive CRU service or Lenovo, its subcontractor or your reseller will repair the failing Machine at your location and verify its operation. You must provide suitable working area to allow disassembly and reassembly of the Lenovo Machine. The area must be clean, well lit and suitable for the purpose.

CRU and Courier or Depot Service

At Lenovo's discretion you will receive CRU service or you will disconnect the failing Machine for collection arranged by Lenovo. Lenovo will provide you with a shipping container for you to return your Machine to a designated service center. A courier will pick up your Machine and deliver it to the designated service center. Following its repair or exchange, Lenovo will arrange the return delivery of the Machine to your location. You are responsible for its installation and verification of operation.

CRU and Customer Carry-In or Mail-In Service

At Lenovo's discretion you will receive CRU service or you will deliver or mail as Lenovo specifies (prepaid unless Lenovo specifies otherwise) the failing Machine suitably packaged to a location Lenovo designates. After Lenovo has repaired or exchanged the Machine, Lenovo will make it available for your collection or, for Mail-In Service, Lenovo will return it to you at Lenovo's expense, unless Lenovo specifies otherwise. You are responsible for its installation and verification of operation.

CRU and Machine Exchange Service

At Lenovo's discretion you will receive specified CRU service or Lenovo will initiate shipment of a replacement Machine to your location. You must pack the failing Machine into the shipping container that contains the replacement Machine and return the failing Machine to Lenovo. Transportation charges, both ways, are paid by Lenovo. You may be charged for the replacement Machine if Lenovo does not receive the failing Machine within 15 days of your receipt of the replacement Machine. You are responsible for its installation and verification of operation.

Service Levels

Service levels specified below are response-time objectives only and are not guarantees. The specified service level may not be available in all worldwide locations. Charges may apply outside Lenovo's normal service area. Response times are based on local standard business days and working hours. Unless otherwise specified, all responses are measured from the time the customer contacts Lenovo for problem determination until Lenovo has resolved the problem remotely or scheduled service to be performed. Same Business Day Warranty Service (SBD) is based on local standard business days and working hours. Next Business Day Warranty Service (NBD) is based on commercially reasonable effort.

Lenovo encourages you to use available remote support technologies. Failure to install and use available remote connectivity tools and equipment for direct problem reporting, remote problem determination and resolution may result in an increased service level response-time due to resource requirements.

- Next Business Day (NBD), 9X5
- Same Business Day (SBD), 9X5
- Same Day (SD), 24X7
